Scan has been exhibiting at the marketing, promotions and special events show since 2003. Each year, Scan pushes the boundaries to create a stand with elements that have never been seen in South Africa.

This year's stand promises Markex visitors some surprises. It will showcase a number of new and unusual features, with a stunning indoor garden complete with fishpond.

Markex 2007 takes place at Sandton Convention Centre from 5 to 7 June. Visitors can see Scan's latest creation in Hall 2, stands D23 to 28, and receive complimentary popcorn from Scan at stand E28 in Hall 2.
