Forget everything you thought you knew, as Openview births a new cultural movement. eXposed is a raw and unfiltered lifestyle, food, music, art, and entertainment channel. The channel features content that will not only push boundaries, but go beyond conventional television while sparking inclusive conversations entertainingly. It's pacey, vibrant, full of energy, and totally on par with the voice of a young, opinionated, motivated, and inspired generation.

It's storytelling with a raw and unique perspective. The international Viceland content will showcase a mix of lifestyle, factual, and magazine programmes. Other genres include popular sitcoms and dramas. Viewers will have access to content showcasing exotic food, art, gripping documentaries, and so much more. Some of the programme highlights include *Chasing Famous*, *States of Undress*, *F**k That's Delicious*, *Most Expensivest by 2 Chainz*, *TMZ on TV*, to name a few. The entertainment is endless.

As part of some exciting changes and launches in April, the eRewind channel will end on 1 April. eXposed launches on 4 April 2022 – promising to entertain and intrigue young (and old). Channel 109 is the channel you'll want to leave on all day.
