In August [MyBroadband](#) had its best month ever, serving over 7 million pages to 1.1 million unique visitors.

MyBroadband is continuing its strong growth, and the latest Effective Measure statistics showed that the website served 7,065,557 pages to 1,083,234 unique visitors in August.

What is particularly impressive is that over 70% of MyBroadband's traffic is generated by South African visitors.

The following video tells you a bit more about MyBroadband and its readership.
