

## AFP reports revenue increase of €1,3m

Agence France-Presse reported an increased operating margin of €12,4m on a like-for-like basis in 2016. In total, AFP's revenues amount to €296,2m; an increase of €1,3m in comparison to 2015.

Sales growth was particularly significant for video which grew by 7,6% and sport which grew by 7%; these were especially noted in international markets in which sales grew by 0,3%.
