

Host a Cuppa for CANSA

Freshpak Rooibos, a headline sponsor for CANSA's annual Cuppa for CANSA drive which began in June and ends in August this year, has donated 75 000 tea bags to the initiative, which encourages the public to hold private or corporate "cuppa" tea parties. Each person who attends makes a monetary donation to CANSA. A Cuppa information pack, including free Freshpak rooibos tea, is given to people who have committed to hosting a Cuppa. Become a host by registering online at www.cansa.org or call CANSA toll free on 0800 22 66 22.
