

ContinuitySA is now a hall of famer

Business continuity and resilience services provider, ContinuitySA has been inducted into the Business Continuity Institute's Hall of Fame as the Business Continuity Provider (Service) of the Year at the Business Continuity Institute Awards gala dinner held in London on 8 November 2016.

ContinuitySA had been named Business Continuity Provider of the Year for three consecutive years and will not be eligible to compete in the Service Provider of the Year category for the next three years following its induction into the Hall of Fame.
