

# Singita Lebombo Lodge listed in top 5 most spectacular hotels in the world

Matador Network's *25 most spectacular hotels in the world: 2020* has included Singita Lebombo Lodge in its top five list. The lodge, designed by Cécile and Boyd in collaboration with GAPP Architects, reflects a modern, contemporary style that celebrates the property's surrounding wildlife.

Released in January 2020, the Matador Network list - compiled by a team of writers, editors, videographers and storytellers - highlights the best hotels and lodges from around the world.
