

Jovago and AccorHotels partners up

Jovago and AccorHotels announced that they have signed an innovative partnership to incorporate all AccorHotels established on the African continent on the Jovago platform.

The AccorHotels' portfolio will become a part of Jovago's catalog of 25,000 hotels in Africa, further enabling customers to book a room directly through the jovago.com website and benefit from a personalised, locally based customer service available 24/7 in several languages.
