Peter-Allan Finlayson.

Peter-Allan Finlayson has been appointed as the new winemaker at Gabriëlskloof from 1 July 2014. He will be making his own brand, Crystallum and the Gabriëlskloof wines on the estate. He is excited about the new challenge, and looks forward to be continuing the tradition of Finlayson family winemaking with his father-in-law and owner of Gabriëlskloof, Bernhard Heyns, and his wife Nicolene, who is also involved in the business.
