FCM Kenya extends Travelport technology partnership

FCM Travel Solutions Kenya has extended its technology partnership with Travelport with the inclusion of its Universal API technology. With Travelport's API technology, FCM's new in-house agency booking system will now benefit from intelligent, fast, and accurate search of high-quality content from over 400 airlines; 650,000 hotel properties; and 35,000 car rental locations.

FCM will also benefit from being able to display, gain insights from, and sell branded fare families and ancillary products from the 260 airlines signed up to use Travelport's merchandising technology.
