

Decorex Cape Town opens for trade pre-registration

Complimentary access to Decorex Cape Town for all members of the décor, design, construction and allied industries is now available for those that pre-register on the website. The exhibition takes place 24-27 April 2015 at the Cape Town International Conference Centre (CTICC), with 24 April designated as a trade-focused day.

This year's theme is '*The Home of the Great Idea*' and promises visitors a feast of useful takeaway ideas and inspiration. It gives both visitors and exhibitors the opportunity to discover national industry leaders and exciting new local players. On show are the latest and best products, from fabrics, furnishings and décor accessories to innovations in kitchens, bathrooms, technology and home DIY. Decorex co-headline sponsor, Plascon will present the 2015 Colour Forecast.

The show is open from 10am-7pm daily (6pm on Monday) and ticket prices are R80 for adults, R70 for trade, pensioners and scholars, and R15 for kids under 12. For more information, go to www.decorex.co.za.
