

YFM, JC Le Roux Spinstress search

The search is on for the YFM and JC Le Roux Spinstress, destined to become popular Mo Flava's DJ apprentice.

One lucky aspiring DJ will stand the chance to fast track herself to DJ greatness by opening three gigs alongside Mo Flava and mingling with some of the top talent and producers in the country. Her winnings will include a fabulous cash prize.

Entries are now open and for the next two weeks entrants can drop off their discs with their 20 minute mixes at YFM's reception. Mo Flava and his team will review all entries, picking the four lucky sisters of spin that will battle it out to become the first JC Le Roux Spinstress. The finalists will play live on air during the YFM Players Club, an exciting opportunity for exposure for upcoming DJs.
