

Tickets on sale for Night of 1000 Drawings

Tickets for the 2016 Night of 1000 Drawings are now on sale from Quicket at R80 per head or R100 at the door on Thursday 10 November. The one night only, inner-city art exhibition will raise funds for Streetlight Schools, but organisers are hoping to double the proceeds collected last year (R120,000) and donate to an additional charity as well.

Art collectors will be spoilt for choice with doodles, scribbles, graffiti, sketches, watercolour and oil paintings, experimental and conceptual works, all on sale for R100 each. It's not just about the artwork on the night - DJs, bands, live art installations, tattoo artists and food trucks with a variety of refreshments will be available. Card machines and ZAPPER will be available for purchases of artwork and food and drink. Please note there is no ATM on the premises. For more information, [click here](#).
