

# Cadiz Steenberg Classic 2011

Around 1000 Cape golfers aim to raise at least R500 000 for charity in November in the prestigious week-long Cadiz Steenberg Classic.

The event, sponsored by Cadiz Asset Management, runs from 30 October to 5 November, and is hosted at the premier Steenberg Golf Estate, Cape Town.

Funds raised during the event will be donated to beneficiaries in the broader Steenberg community, viz: SARDA which provides disabled children with therapy through horse riding, TEARS, an animal rescue society, the Westlake Community Centre, the Steenberg Clinic and Caddy Programme and the Haemophilia Foundation.
