

Societi Bistro makes it into the 2016 Louis Vuitton City Guide

Societi Bistro's address, 50 Orange Street in Gardens, Cape Town has been included in the 2016 Louis Vuitton City Guide - Cape Town App and book.

Since 1998, Louis Vuitton has been sharing its unique take on the world through its City Guides, offering a careful selection of addresses chosen with originality and just a touch of bias. For the first time, a mobile app has been developed to complement the collection of City Guides, making it easier than ever to be informed about the most talked-about spots. Intuitive and simple to use, the app will include special guest contributors, secret addresses and information.
