

147: Jason Xenopolous and Christian Horsfall from NATIVE VML

On Thursday, 3 September 2015, [Biz Takeouts Marketing and Media Radio show](#) host Warren Harding ([@bizWazza](#)) was joined by Christian Horsfall, Creative Director and Jason Xenopolous ([@JasonXenopoulos](#)), CEO Cape Town, both from NATIVE VML ([@Native](#)).

We chatted to Christian to find out more about his recently published opinion piece titled: The idea is not in the execution. We cover how creative, ideas and execution work together to form a cohesive message. Which comes first, the platform or the idea? We look at what makes ideas successful in execution and how technology is nothing without great creative ideas. Lastly, we look at how ideas have changed within the digital landscape and technology changes?
