192: Online security with Fortinet

On the next Biz Takeouts Marketing & Media radio show on Thursday, 13 October 2016, from 9-10am, show host Warren Harding chats to Paul Williams, country manager for Fortinet, the number one online hardware and software security vendor in Africa about online security and driverless cars.

We take a closer look at the rise or cyber security, what companies, IT managers and individuals need to know and where the threats lie.

We look specifically at the increase of cyber threats, where SA sits within international trends in cyber attacks and what you can do to secure yourself. We also look at the growth of driverless cars and why online security is an important element in this new technology.
.
Tune into Biz Takeouts every Thursday from 9am-10am live from the 2oceansVibe Radio studio in Cape Town as we discuss the topics that matter in Marketing & Media.
