

Devi Sankaree Govender moves on from *Carte Blanche*

Tough-talking investigative journalist Devi Sankaree Govender will be saying goodbye to M-Net's weekly current affairs show, *Carte Blanche* in pursuit of other career opportunities. Her final appearance on the show will be on Sunday, 25 January 2020.

In addition to its usual news and human interest stories, *Carte Blanche* will also celebrate her contribution to the show during this broadcast. She joined the show in January 2002; her first assignment was to cover the horrific rape of nine-month-old Baby Tsepang.

Carte Blanche will appoint a new talented investigative journalist to fill the void she leaves. Read more on [Channel24](#).
