

# Angola, South Africa deal to develop infrastructure

*Business Live* reports that South Africa and Angola have signed a technical co-operation agreement aimed at supporting infrastructure development and Deputy Minister of Trade and Industry, Elizabeth Thabethe says the agreement is in the interests of both countries.

According to the *Business Live* report, the venture will identify infrastructure and industrial development opportunities within Southern African Development Community countries in a bid to economically integrate the different countries and to improve infrastructure in the different regions.
