

## ***Back of the moon* wins Best International Narrative Feature Award**

*Back of the moon* has won the Best International Narrative Feature Award at the 16th Montreal International Black Film Festival.

Set in Sophiatown in 1958, *Back of the moon* revolves around Badman, a notorious gangster who, on the eve of his home being demolished by brutal Apartheid police, decides to fight them to the death. The film stars Richard Lukunku, Moneoa Moshesh, Lemogang Tsipa and Thomas Gumede
