It's The Loeries weekend! And we're thrilled that Howard Audio's name appears on 21 shortlisted finalists entries this year. We'd like to congratulate and wish the very best to all the finalists this year. Our work has been recognised in many facets of our business - from final mix and original music for Radio - to musical direction and post production on some great TV and online commercials. Here's a few examples of our work that has made the finals.

We composed the original music and did the final mix on this clever comedy spot for OpenCo and BMW: Listen to the spot below:
