*“The film features actor John Kani, and according to the legends of the Shangaan people living deep in the wilds of Southern Africa, white Lions are the messengers of the Gods, and their presence in their tribal lands ensures peace and prosperity for all. However, it has been many years since a white Lion has been seen and the tribe suffers many hardships since the death of the last great chief, Muhluri.”*

Adam Howard, together with Lizzie Rennie, orchestrated the music for well-known SA composer, Phillip Miller. The orchestration was for full symphony orchestra. The Johannesburg Philharmonic Orchestra was recorded at the SABC, conducted by Alan Stephenson.
