

PenQuin International scoops top awards at the National Boat Show

Issued by [Penquin International](#)

20 Sep 2005

For the second consecutive year the PenQuin International designed and constructed the best large stand at the National Boat Show on behalf of its client, Suzuki Marine.

PenQuin International was also the recipient of the best contractor's award. The innovative design and powerful representation of the brand is what impressed the judges.

Importantly the design presented the Suzuki Brand as the leader in the 4 Stroke outboard market and shows Suzuki's intention of dominating the market in the future.
