

Jovago partners with *Ventures Africa*

Jovago.com, Africa's online hotel booking portal, believes that the African tourism & travel industry is rapidly assuming a third "T" -Technology, as technology serves the needs of travellers, companies and destinations. Jovago has partnered with *Ventures Africa*, a Pan-African business magazine to ensure that the African travellers can stay updated on happenings around Africa while also getting the best available hotel deals out of over 200,000 hotels.
