

The rise and rise and Noeleen Maholwana-Sangqu

"3Talk with Noeleen" (SABC3 weekdays 17h30-18h30) is really a show to watch.

I wasn't surprised when Noeleen made it to the "Top 100 people of 2004" because her show has really been a breath of fresh air with its informational and inspiring content.

Such a pity most people prefer to be watching soaps like "Bold and The Beautiful" when "3Talk" is on. The show deals with real issues affecting real people and Noeleen gives it a personality that no other South African right now will be able pull off. I say keep on keeping on Noeleen and your team.
