

Guide to eating now out

The ninth annual *Eat Out* directory, edited by Abigail Donnelly, is currently on sale at Exclusive Books and traditional outlets such as Woolworths, Pick 'n Pay and CNA for R39.95. According to publisher Lani Carstens, "This year's bumper issue has 248 pages featuring 800 carefully selected and reviewed restaurants countrywide. The rather edgy, delectable cover will heighten newsstand impact and increases the guide's accessibility and appeal."
