

Drawing on success

Some of South Africa's top cartoonists are showcasing their talents on a new site: www.cartoonist.co.za, that has jumped straight into Ananzi's top position. The site is aimed primarily at advertising agencies and publishers. Zapiro, Dr Jack, Rico Schacherl of Madam & Eve fame, Mynderd Vosloo, Colin Daniel and Tony Grogan, are a few of the artists showing their work. Myke Ashley-Cooper, author of the cartoons at www.cartoons4fun.com and www.sexyfunnypics.com, is hosting the site on a non-profit-making basis to keep client costs down.
