

Tsogo Sun adds StayEasy to Mozambique portfolio

Tsogo Sun Hotels has announced the addition of a new offshore hotel property StayEasy Maputo to its portfolio - this is the third hotel for the group in Mozambique.

Located along the coast in Mozambique's capital, StayEasy Maputo is only 9km from the Maputo International Airport, and is adjacent to the Baía Shopping Mall, offering easy access to convenient stores, restaurants and a state-of-the-art gym.

StayEasy Maputo has 125 comfortable, en-suite rooms in which guests can enjoy in-room tea and coffee facilities, an electronic safe and air conditioning, as well as selected DSTV channels and complimentary Wi-Fi.

Guests can look forward to a wide range of amenities, including an outdoor deck next to the swimming pool, a modern meeting room for up to 12 delegates, and a self-service workstation. Nearby attractions include a wellness spa, casino, nightclubs, museums, coffee shops and the renowned Maputo Fish Market.

"We are excited to finally open the doors to Tsogo Sun's newest property in Mozambique. We believe in the potential for growth in Mozambique, and StayEasy Maputo will be an exciting addition to our portfolio in the country," said Bruce Chapman, general manager of StayEasy Maputo and Southern Sun Maputo.
