

KWV Brandy named global brandy producer of the year

For the fourth year running, KWV Brandy has been awarded the Producer of the Year trophy in the Brandy and Cognac category at the International Spirit Challenge (ISC); hosted at the Plaisterers' Hall in London. In addition, KWV received the trophy for Best Brandy in the world for its KWV 20.

This award comes on the back of an announcement last month that KWV Brandy made history at the ISC when it claimed double golds for its KWV 10, KWV 20, KWV Heritage XO Cognac and KWV Imoya Cognac respectively.

KWV's master distiller, Pieter de Bod received the award on behalf of KWV.
