

Welcome to the DeskStand

The DeskStand is a healthy alternative to sitting and working. An adaptable, wooden standing desk that improves your posture, keeps you focused and is great for your back.

Standing while working can also help you lose weight, up to 200 calories a day. The DeskStand is associated with leading a healthy lifestyle, promoting wellness and is recommended by chiropractors.

It retails for R899 and is available for shipping.

For more info and to order the DeskStand visit www.deskstand.co or LIKE on Facebook: www.facebook.com/thedeskstand
