

IAG Cargo appoints Daniel Byrne, Freddie Overton to commercial team

International Airlines Group (IAG) cargo division, IAG Cargo, has appointed both Daniel Byrne and Freddie Overton to its commercial team. Byrne has been promoted to the regional commercial manager role for UK and Ireland, while Overton will take over the regional commercial manager position for Europe and Africa.

Byrne has been with IAG Cargo since 2017 and has spent the last ten years in the logistics sector, and Overton has more than six years' experience in the logistics industry.
