

Africa Games Week 2024

Africa Games Week, now in its 7th edition, has solidified its position as the foremost business event in Africa dedicated to the video game industry.

This annual event serves as a pivotal platform where developers, content creators, and industry leaders converge from various parts of Africa and around the world. The primary objectives of the conference include fostering connections, encouraging engagement, and contributing to the overall growth of the African Game Industry.

Date: 01 December 2024 to 07 December 2024

Time: 10:00 - 17:00

Venue: Cape Town
