Talent is something that can be cultivated with passion, motivation, patience and practice. Armoured with all four, 14-year-old Gabrielle De Gama utilised lockdown as an opportunity to write and record her debut single, "Nasty". The song has a crucial message about bullying.

She also has a lead role in an M-Net series titled *Reyka* – in which she acts alongside award-winning Scottish actor Iain Glen from *Game of Thrones*. The show is set for release in July 2021 on M-Net (DSTV channel 101).

She comments: "I believe in continuously preparing and being ready for new opportunities."

I chatted to Gabriele last week.
