

What to expect from Spier Light Art 2021

The 2021 edition of Spier Light Art will take place at the Spier Wine Farm in Stellenbosch from 19 March to the 18 April 2021.

The event will showcase interactive artworks that use light, sound and video; entrance to the event is free and the lights are switched on at dusk.

The *Sunday Times Neighbourhood* supplement wrote about Spier Light Art 2019, saying: “What a spoil to walk around safely in near darkness... the beautiful surroundings merging with the night skies, and, interspersed with the pristine gardens, an array of light art surprises.”

Highlighting the child-friendly nature of the experience, the *Weekend Argus* said: “take the family along for a fun evening” describing various works as “playful”, “astute and profound” and “poignant”.

Spier Light Art - a unique way to usher in the festive season
