

# Everything you should know about the 2023 Las Vegas F1 GP

Get ready for the ultimate showdown in Las Vegas - it's not just about the glitzy lights anymore. From November 16 to 18, the city is rewiring up for the 2023 Las Vegas F1 GP, turning the streets into a high-speed battleground. The weekend promises to be packed with speed demons, high-revving engines, and fans getting their adrenaline fix.

This isn't just any race; it's Formula One's grand return to the neon lights of Vegas. The last time F1 machines tore up the town was way back in 1981 and 1982. That event was held in a car park. And by all accounts it was a dreary affair. This year the circus makes a comeback with a street circuit designed showcase the speed of the cars. Picture a track weaving through iconic landmarks, lit up like a Christmas tree – it's going to be a spectacle, that's for sure.
