

# Save time by getting all your answers...

Issued by [AfriGIS](#)

20 Feb 2018

Get all your answers by typing just one address...

Accurate, geocoded & verified addresses  
**SABS SANS 1883 & ISO TC 211 compliant**

- Does the address exist?
- What is the erf number?
- Who is the owner?
- Is the address standards compliant?
- Accessibility to convenience and necessities?

*Population density heatmap, lightning strikes, suburb risk factors (crime, natural disaster, accessibility)*

## A small subset of these answers includes:

- Display the information on interactive, high speed heatmaps with location insights on your phone, tablet or laptop.
- Overlay the address on a map with recent satellite imagery or from a decade ago.
- Weather Information, rainfall, forecast etc.
- Extreme weather conditions - predictive and historic
- Storm tracking
- Severe weather alerts
- Lightning reports with strike intensity, amount of strikes, areas and times in near real-time or historic
- Kick off a location-based conversation
- Suburb risk reports
- Show the erf boundary
- What are the population demographics like?
- Which business are registered here?

- What is the postal code?
- Which other suburbs share this postal code?
- Crime statistics
- Dolomite or clay soil?
- Far from a police or fire station?
- Progress from knowing the address to doing a person search at your credit bureau of choice.
- And more...

Answers provided by smiling faces, software interfaces or developer API's.

**Hatfield area**

*Confidence ellipses of lightning strikes*

*Hatfield area*

*Location points of lightning strikes*

Hatfield area

CIPC data, gated communities, traffic

*"Risk comes from not knowing what you're doing." Warren Buffett*
