

Support Brand Inspiration Museum, buy heritage posters

Following the Visual Brand Exhibition at GIBS during Brand Week, where more than 120 exhibits were brought together by Brands & Branding, The Brand Museum Project and a variety of contributors from the advertising and branding communities, limited edition prints of selected work are being offered for sale as part of a fundraiser for the Brand Inspiration Museum project.

To view the Heritage Poster Print Shop, go to www.brandsandbranding.co.za and browse through the affordable prints available in various sizes that can be printed on art paper or canvas.
