

Aleph Hospitality expands African footprint with upscale hotel in Ghana

Dubai-based independent hotel management company, Aleph Hospitality has signed an agreement to operate The Pelican Hotel in Accra, marking the group's first entry into Ghana. Located in Cantonments, the all-suite boutique hotel is set to open in June 2023.

A 10-minute drive from Kotoka International Airport, the upscale property features 134 suites and apartments, a cafe, a speciality restaurant, a swimming pool, a gym, a spa and meeting room facilities.

Bani Haddad, founder and managing director of Aleph Hospitality says: "We are delighted to have been entrusted with the management of The Pelican Hotel in Accra and look forward to a very successful opening.

"With its stunning natural beauty, rich history, many cultural attractions and tourism-friendly infrastructure, Ghana is an attractive destination for business and leisure travellers alike, and with tourism as one of the fastest-growing sectors in the country, this is a very exciting time for us to enter Ghana."

DevtracoPlus Limited, one of Ghana's leading real estate companies under the Devtraco Group, is the developer and owner of The Pelican Hotel Apartments. John Kane Entsuah, CEO of Devtraco Group says: "We are excited to continue delivering on our promise of creating value for investors in this strategic partnership with Aleph Hospitality.

"With years of experience in working with the world's largest hotel companies, Aleph Hospitality is the ideal partner to deliver the highest level of hospitality management services for Accra's first hotel apartment. Together, we will be redefining the hospitality industry in Ghana."
